COURSE SELECTION FORM

Required for any semester in which you will take classroom courses.

Student Name: _______________________________ ID # __________________

Course #1: (__________)  
OPUS number  ______________________
Title  ______________________

Course #2: (__________)  
OPUS number  ______________________
Title  ______________________

Course #3: (__________)  
OPUS number  ______________________
Title  ______________________

Students must be enrolled in nine hours to be considered full time. If all the courses don’t add up the 9 hours, you must complete the hours by registering in CHEM 599 if you are not in candidacy or CHEM 799 if you are in candidacy.

The Graduate Program Coordinator will automatically enroll students in TATT 600, CHEM 504, 597, 606, 791, 798 and JPE 600 in the semesters in which these courses are required.
