Explanation of Status

Continuation in Good Standing

The committee recommends that the student continue in the program. The student should continue to meet all requirements. Additionally, the student is advised that poor performance in coursework may affect their standing even if the committee has judged them eligible to continue in good standing.

Probation

The committee recommends that the student be placed in probation. The student and advisor should submit a written agreement outlining expectations for the student over the next semester. Probation will begin on the first day of classes in the semester immediately following

Termination

The committee recommends that the student leave the program. Termination, except in cases of extreme research misconduct or safety concerns, can only be recommended following at least one semester of probation.
