

# First Semester Course Selection Form

Please return to the Graduate Program Coordinator.

## I. Scholar Information

Name

I.D.

Date

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

Month

Day

Year

## II. Acknowledgement of Course Requirements (Completed by Scholar)

Please initial to indicate your understanding as indicated below:

Initial

- Chemistry graduate students are advised to take no more than two courses per semester. If you submit a request for enrollment in three courses (not including ELSP courses), you must obtain a DGS signature on this form.

Initial

- First semester scholars are required to enroll in CHEM 504: Rotations. The graduate program will automatically enroll you in this course.

Initial

- With rare exceptions, chemistry courses are offered on a non-competitive basis meaning that enrollment will be offered to all interested scholars.

Initial

- With rare exceptions, first year scholars are advised to take courses offered in the Department of Chemistry (rather than external coursework) during their first semester.

### III. Requested Courses (Completed by Scholar)

Course #1:      CHEM           

Course #2:      CHEM           

Course #3:      CHEM           

Are you completing ELSP coursework this semester?

Yes

No

Unsure/Undecided

### IV. Advising Signature (Completed by any graduate faculty member)

Please sign below to indicate that you have discussed the courses listed in Section III with the student and that you approve the intended course plan. Course approval does not indicate any future advising commitment to the student.
